

VETERINARY SERVICES

United States & Canada

EKPA highly recommends every Kunekune owner to have an established relationship with a veterinarian. **Do NOT wait for an emergency to find a vet.**

This resource list has been compiled by EKPA and EKPA members in 2022. EKPA is not endorsing or supporting any of the veterinary professionals listed below. This list is NOT necessarily veterinarians who are "experts" in Kunekunes, although some absolutely are.

Please contact EKPA if you see an error or have a vet recommendation to be added to this list. **You can access any vet clinic's contact by clicking on their name.**
